Subject Re: FTE Ceiling- Request for Hiring up to Ceiling

Ken, we had also talked about Curtis' group (IS Audit)being 4 below ceiling and we want to select up to 3 people there.
Also, the desk officer, financial audit and GS 15 vacancies will all come from within OIG

Subject FTE Ceiling- Request for Hiring up to Ceiling

Reference to my conv with Mike Phelps and Audits request to hire up within audit: LA (2 slots); NY/Newark (2 slots); Chicago (1 slot); Detroit/Columbus (1 slot); desk officer (1 slot); Fin. Audit (GS 14 vacancy); and GS 15 vacancy based on projected vacancies for Sept 1.

Further ref. my discussion with DIG Stephens, this date.

I am requesting that OMAP/ Inv. immediately provide me with your numbers of projected vacancies and priority slots to be filled. I will review the entire request in total and compare with our projected ceiling effective Sept 1. Please include separately vacancies that you intend to fill from within.
